Dear Richard:

On behalf of the Muscular Dystrophy Association, we would like to thank you for your participation in the Holiday Inn Holidome-Gerbes-Joe Machens Ford-TCI Cablevision-MDA Lock-Up held on July 27. The event, which pledged \$24,360 to fight neuromuscular disease, was a huge success.

We have already sent letters to all of your sponsors thanking them for participating as well. But we couldn't have done it without the support and commitment of people like you. I can assure you that the 300 families that we serve sincerely appreciate your contribution.

MDA is striving to find treatments and cures for 40 neuromuscular diseases while working to improve the quality of life for those individuals served by our program. Through worldwide research, comprehensive medical services and far-reaching professional education, MDA is making a difference.

Thank you for helping us make that difference!

Sincerely,

Dear Mr. Hauschild:

Thank you very much for your generous support of Day of Caring 1995. Through your contribution, this year's event was bigger and better than ever.

Thirty-nine area businesses supplied more than 550 volunteers. After a kick-off breakfast attended by over 500 people, these volunteers dispersed to over 60 project sites throughout Mid Missouri. Projects included wheelchair ramps at two homes, yardwork and housekeeping for the elderly and disabled, painting and light repairs at shelters and group homes and playground maintenance at four daycare centers. In all, 39 local agencies and their clients benefitted from the 3,500 hours of community service logged that day.

The MU of Caring attracted 350 student volunteers from the University and Columbia College. The students finished construction of a wheelchair ramp in Boonville, repaired flood damage in Lupus, helped clean up debris left by the Moberly tornado and much more.

In addition, our Day of Caring Food Drive collected can goods that will be distributed to needy families through the Ann Carlson Food Pantry.

All of us at United Way appreciate your role in making the day such a huge success. Your broadcast was invaluable to the success of our food drive and the day as a whole. On behalf of the Day of Caring Committee, the agencies and all those who were touched by this year's event, thank you.

Sincerely,

Dear Paul,

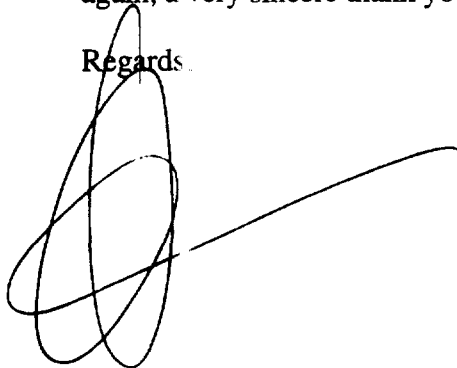

Thank you for participating in The Concert to Heal Oklahoma City. It is clear that the tragedy in Oklahoma City touched you as much as it touched us. Luckily, you and I are in a business that affords us the opportunity to do what we do, and yet, with just a little ingenuity, we can make a real difference in the lives of those less fortunate than ourselves.

I can't tell you how proud I am to have had KFMZ-FM join the over 300 stations who proved that when working in unison, our listeners can enjoy a concert AND help out their fellow man.

Over the years we have brought you and your listeners quality programs like **ROCKLINE** and more recently, **Modern Rock Live**. We hope you enjoy our fine programming and would appreciate all your comments regarding these shows as well as any comments you have about the Black Crowes Concert to Heal Oklahoma City.

We are very proud to have you as part of our Global family and once again, a very sincere thank you for being part of this important event.

Dear Cyndi:

With the successful celebration of National Tourism Week behind us, I wanted to thank you for your participation in the Breakfast on the Radio promotion.

Nearly 65 stations provided air time for the breakfast. Industry volunteers talked on the air about tourism while volunteer cooks from the local area provided breakfast for the stations' morning personalities. I hope everything went as planned at your station.

I would appreciate your comments on the outcome of this year's Breakfast on the Radio promotion. Let us know your impressions, your suggestions for improvement, any problems you experienced, etc. Please forward your comments to me or to Suzy Schneider, the coordinator of this promotion.

Again, my sincere thanks for your participation in the Breakfast on the Radio promotion. Your support makes this promotion possible.

On behalf of the Ridgeway School, PTSA, students, and families, I would like to express our appreciation for your contribution of twenty cassettes for Funday. These great prizes certainly added to the excitement of the day. The day offers an opportunity for Ridgeway families to get to know each other and have great fun, as well as being a major fundraiser.

As the major fundraiser for Ridgeway, Funday provides funds for us to purchase equipment, teaching aids, and learning opportunities that we otherwise would not be able to have. Funday has experienced another successful year! Thank you for being an important part of this valuable fundraiser for Ridgeway.

Dear Renee,

I really can't thank you enough for helping out last year in the First Annual Twelve Days Of Christmas Gift Wrapping event to benefit the Central Missouri Food Bank. The enclosed press release was sent to Columbia media the week of January 11, 1995.

This is simply a note to confirm the dates for this year's second annual gift wrapping event to be held from December 12th straight through December 23rd. Hopefully by holding the event later in the year we can raise even more money. This year's benefitting charity will again be the Central Missouri Food Bank.

I will be contacting volunteer organizations by September 1st for this year's event, and look forward to working with your organization again to help feed the needy this holiday season.

Thanks again for all your help.

Sincerely,
